09:00 AM - 04:00 PM

MEDICAL DEVICE AUTHORITY
LEVEL 6, PRIMA 9, PRIMA AVENUE II, BLOCK 3547, PERSIARAN APEC,
63000 CYBERJAYA, SELANGOR, MALAYSIA

TRAINING OVERVIEW

This training program provides participants with a clear understanding of medical device labelling and advertising requirements in accordance with Malaysian regulations.

Key topics include:

- Mandatory labelling elements
- Introduction to Unique Device Identifier (UDI) for product tracking and safety
- Advertising guidelines, including permitted content and prohibited claims
- The importance of ethical advertising to protect consumers and maintain industry integrity.

The program is ideal for industry players aiming to stay compliant and build consumer trust in their products and brands.

Intended Audience:

- 👤 Manufacturers,
- 👤 Distributors,
- 👤 Authorised Representatives,
- 👤 Others involved in marketing and distributing medical devices

FEE
